

MULUGETA ASSEFA YHEYS

Fullstack Developer

I am a highly motivated and detail-oriented full-stack developer and cloud engineer, graduate from Addis Ababa University's Department of Computer Science. Through various projects and internships, I have gained practical experience in both front-end and back-end development. I also work in Huawei Technology plc in position of cloud Engineer. I have strong problem-solving abilities, I thrive in collaborative environments and am dedicated to delivering high-quality work efficiently and on time. I have a keen interest in software development and cloud computing technologies.
